About

Ruchita Modi specializes in the field of indirect taxes. Ruchita has 5 years of experience in advising clients on various matters under Value Added Tax Laws, Service Tax, Excise duty, Customs Law, Goods and Services Tax and Foreign Trade Policy.

She has advised both Indian and as well as multi-national companies in varied sectors such as manufacturing, e-commerce, oil and gas, banking and financial services, pharmaceuticals, construction and engineering, etc.

Ruchita has experience in advisory, compliance and litigation assistance. In her previous stints she has been part of various GST implementation and transition assignments, due diligences, strategizing new business models, etc. for large corporates.

She has worked on several litigation matters and assisted senior counsel for appearing before various forums. Ruchita is a Chartered Accountant, and currently pursuing her L.L.B. Prior to joining JSA, she has worked with PricewaterhouseCoopers Private Limited as an Assistant Manager.

Experience

Some of the key assignments in these areas handled and being handled by Ruchita Modi amongst others, cover the following:-

1. Opinion(s) on various indirect tax matters in relation to taxability, valuation, availability of credits, etc.
2. Advising on taxability of transactions undertaken by a Company engaged in co-living housing space
3. Advice in relation to customs valuation to overseas Company proposing distribution of goods in India
