About

Shiv works in the Direct Tax practice at J. Sagar Associates. He has joined the firm in 2020. He regularly works on advising clients across various sectors in matters relating to corporate tax, international tax, M&A tax etc. In addition, he has assisted in advising clients for structuring their inbound and outbound investments.

Experience

Shiv assisted an Indian Data Analytics company in structuring their global holding structure involving comprehensive analysis of Tax Treaties and local direct tax laws of various countries. He also assisted in advising a US SAAS Services company on Indian tax issues outlining appropriate mechanism to cater to their Indian clients. He, recently, assisted a European company in advising and implementing the Indian leg of their global restructuring plan.
