### About

Tarun's key practice area includes corporate advisory, commercial agreements, foreign investment, joint ventures, merger and acquisitions, asset sale and business transfers, etc.

He has also been engaged in advising domestic and international clients on various laws including corporate, commercial laws, exchange control laws, etc. In addition, he has extensive experience in company formation and structuring, corporate compliances and due diligences.

He has been practicing law since 2014. Before joining JSA, he was for two years with Khaitan Legal Associates at its Mumbai office.

### Experience

Some of the key assignments in these areas handled by Tarun amongst others:

- Assisting client in buyback of shares worth INR 25 million from its parent company registered in USA;
- Assisting in transfer of equity shares worth INR 35 million of Indian subsidiary from one non-resident group entity to another non-resident group entity;

- Assisting client in raising funds through private placement.
