### About

Anmol specialises in private equity investments, joints ventures, mergers & acquisitions and corporate commercial advisory.

He has advised clients on various issues arising out of foreign exchange laws, Companies Act, employment laws and SEBI related laws. He has extensive experience in drafting commercial contracts including lease deeds, employment contracts, service agreements, shareholders agreement and share purchase agreements. He has drafted legal opinions and undertaken various legal due diligences.

He has been practicing law since 2021. Before joining JSA, he previously worked as an associate in general corporate practice of a reputable law firm in Mumbai.

### Experience

Some of the key M&A assignments in these areas handled and being handled by Anmol amongst others, cover the following:

- Assisted a fund based of Netherlands in the sale of preference shares to a listed Indian company and conversion of remaining of preference shares into equity.
- Assisted an Indian fund in connection with its investment in acquiring 100% shareholding of a company owning a premium land parcel and developing a commercial complex on the said land.
- Assisted a leading US IT company in its acquisition of a software development company in India by way of a slump sale followed by acquisition of shares.
- Assisted a leading Indian fund on the exit process of its portfolio investment from the real estate SPVs.
