About

Sakshi specialises in Foreign Investments, Mergers and Acquisitions as well as Joint Venture matters. In addition, she has extensive experience in corporate advisory and employment laws. Sakshi has advised and assisted clients on demerger/slump sale of businesses, establishment of Indian presence of foreign clients, winding up of business operations in India.

Sakshi also advises both domestic and international clients, across various sectors, in their day to day legal issues which could include drafting/reviewing commercial contracts such as supply agreements, distribution agreements, consultancy agreements, endorsement agreements, etc., advising on legal risk exposure in such contracts and mechanism to mitigate such risks.

She has been practicing law for over 10 years. Before joining JSA, she was with DSK Legal, Mumbai in their corporate office.

Experience

Some of the key assignments in these areas handled by Sakshi, amongst others, cover the following:

- Represented a Swiss conglomerate in its acquisition of 100% of the shareholding of Indian companies engaged in the business of inspection and testing of various products.
- Represented a French group in its acquisition of majority shareholding of an Indian company engaged in the business of inspection and testing of various products.
- Represented a UAE based infrastructure and analytics solutions organization in relation to its setting up of a joint venture arrangement in India with an Indian group engaged in the business of providing technology solutions.
- Represented a UK based investment group in its acquisition of minority shareholding of an entity in India engaged in generation and sale of solar power.
- Represented a large American diversified conglomerate with respect to the India leg of its global acquisition of the biopharma business of another large American conglomerate.
- Represented a large catering services entity in its exit from a joint venture partnership in India.
- Represented a large French conglomerate in its acquisition of 100% of the equity shareholding of an industrial automation and instrumentation solution provider in India.
- Represented a UK based investment group in its exit from an entity in India engaged in generation and sale of solar power.
