About

Aditya specializes in private equity & venture capital investments, acquisitions, and cross-border transactions. He deals with a wide variety of client servicing requirements throughout the life-cycle of a transaction, including entry and structuring, due diligence, foreign exchange and regulatory compliances, transaction advisory, negotiations and closing of the transaction. Aditya also regularly advises on various aspects of Indian law, including general corporate compliances, corporate restructuring, listed entity requirements, and control related matters. He has experience handling takeover situations, and significant expertise in NBFC transactions.

Aditya has represented marquee investors in their investments in Indian companies, and also brings considerable in-house counsel experience.
