### About

Vivek assumed office as the Joint Managing Partner of the Firm from January 2019. He has over 30 years of experience in areas of private equity, mergers and acquisitions, corporate commercial work and real estate advisory in India. Vivek is also qualified to advise on international commercial arbitrations and is a member of the Chartered Institute of Arbitrators (CI Arb).

Vivek is consistently recognised as a leading lawyer for Corporate/M&A, Private Equity, Real Estate, and Investment Funds by several prominent global legal directories including Chambers & Partners, Legal 500 and IFLR 1000. He is also included in the A-List: India's Top Lawyers and Legal Icons by India Business Law Journal's annual listing for 2022 and 2021 and is named in India's Super 50 Lawyers list by Asian Legal Business (ALB).

## Awards and Recognitions

- Chambers and Partners 2026 Band 1 (APAC and Global), consistently ranked him for Corporate/M&A and Real Estate
- Ranked as an Icon on the India Business Law Journal (IBLJ) A-List 2026
- IFLR1000 recognised him for Real Estate, Investment Management, and Private Equity in 2025.
- Asia Law honoured him as a Distinguished Practitioner for Private Equity, Corporate, and M&A from 2022 to 2025.
- Legal Era honoured him as a Leading Lawyer Notable Practitioner for Corporate and M&A in 2026.
- Recognised as Top Managing Partners and Top 100 Individual Lawyers 2025 by Fortune India Magazine.

## Experience

Vivek attracts strong praise from clients and market commentators, with clients reporting that he is "brilliant to work with, knows the law very well and has business sense and knows what the client needs done" and "He has a great demeanour; he is very approachable, helpful and honest in his point of view".

Transactions of significance include acting for:

- Advised a large sovereign wealth fund in its investment in India with total investment amounting to approximately INR 12.4 billion
- Advised a leading multinational quality control and compliance service provider in relation to acquiring an Indian Company in the business of testing, inspection, certification and provides services for food, environmental and pharmaceutical quality assessment
- Advised on the sale of a Delaware corporation (and its subsidiaries) providing revenue cycle management, technological and staffing solutions for healthcare providers to one of the largest PE funds, with deal value reported to be around USD 400 million.
- Advised one of the largest global advisory firms in its strategic divestiture of asset portfolios across jurisdictions
- Advised Symphony Technology Group in its acquisition of Yodlee
- Advised Symphony Technology Group in its acquisition of a multi-geography AI powered SaaS innovator
- Advised a global private equity fund on the proposed establishment of a 'platform' for undertaking real estate investments in residential space. The platform was proposed to be set up with a listed Indian real estate developer. The transaction was ultimately called off for commercial reasons.
- Advice to a listed India-based promoter of a prominent and strategic hospitality asset in a control transaction involving a couple of global private equity giants.
- Advised HomeLane on a composite transaction involving the acquisition of DesignCafe by HomeLane and a primary fundraise by HomeLane from a group of investors including WestBridge and other investors of DesignCafe and new investors, Hero Enterprise and Claypond Capital Partners.

- Advice to Engel Group in its acquisition of Electronica Plastic Machines Limited.
- Advised Volvo CE's divestiture of its ABG paver product line in India in favour of Ammann Group
- Advised TVS Industrial & Logistics Parks Private Limited in its acquisition of an Andhra-based industrial park
